(DFS subsidy slots available)

## The Program

We have extended the school day at Blossom Wood and your child is invited to participate in this community-based program. The Scholars Club is designed to be a community extension from Blossom Wood Day School, a well respected Christian private elementary school in North County.

Scholars will have an early supper meal upon arrival, complete homework with tutorial assistance as needed and participate in afterschool learning and enrichment. Scholars will attend learning trips on selected Saturdays

and will be included in the school Christmas and Spring programs.

Academic progress of Scholars will be monitored to note improvement in academics at their home schools and parents will be invited to participate in school parent activities and community nights. The program will allow students to participate in various "clubs" such as Tae Kwon Do, Robotics, NPSS, Wii Challenge, Puppetry, Tutoring, Homework help and Computers.

Blossom Wood celebrated ten years in 2008 and purchased a new school at 7200 Howdershell Road. For an application and additional information call (314) 838-7400.
